

Isaiah 53

9.11.6.6.8

1. He was wound - ded for our trans - gres - sions,
2. He was num - bered a - mong trans - gres - sors,
3. We had wan - dered, we all had wan - dered
4. Who can num - ber His gen - er - a - tion?

He bore our sins in His bod - y on the tree;
we did es - teem Him for - sak - en by His God;
far from the fold of "the Shep - herd of the sheep";
Who shall de - clare all the tri - umphs of His cross?

for guilt He gave us peace, from bond - age gave re - lease,
our sac - ri - fice He died, that law be sat - is - fied,
He sought us where we were, on moun - tains bleak and bare,
once dead we live a - gain, and fol - low in His train!

and with His stripes our souls are healed.
and all our sin was laid on Him.
and brought us safe - ly home to God.
vic - to - rious Lord and com - ing King!
